

FINAL PROFESSION OF BROS. ARUL, GEORGE AND LIVIN

“THE MORE YOU LOOSE YOURSELVES THE MORE YOU FIND YOURSELVES IN GOD”

It was a pleasant and grace filled day for us because, we had three of our Brothers were going to be finally professed; they were Bros. Arul, George and Livin.

The Family members of Bro. Livin Came to our community on the 14th morning and Bro. Arul and George's on 15th morning.

From morning onwards we were preparing for the great event. Our house was filled with guests. One side the choir practicing for the liturgy, and cultural the group rehearsing their dance and drama and in the kitchen a sumptuous meal was prepared. In fact all were busy and all were happy.

When it was of time we all moved to the Mary hill Chapel for the Eucharist. All the priests who came were vested. A Welcome dance by the sisters was leading the procession followed by the people of God, Our brothers, parents of our, finally professed, con celebrants and Rev.Fr.Austin

As the procession entered the chapel the angelic choir of our community in collaboration with the sisters sang the Entrance Hymn. Our Hymn for the Liturgy was in different languages. Fr.Biju Paul welcomed everyone to the Eucharistic Celebration and introduced the would be professed to the congregation. The Eucharist was preceded over by Rev.Fr.Austin. Fr Biju Antony superior of the community thanked the gathering. Soon after the Eucharist celebration, all gathered in our seminary Mariakripa for the felicitation program. Once all were settled Bro. Jose along appeared as an M.C, animated the program. The Prayer dance was given by our AC postulants. Fr. Austin felicitated the 3 professed brothers; he wished them all the best. This year we brought out our Indian Vicariate News Letter called “Smile”, this was released by Fr. Austin and also we released our Betharram Birthday calendar of our Vicariate. A variety of programs given by our neighboring communities and from Shobhana Shakha and our community added color to the day by a short history of our founder. Bro. George thanked all the people gathered there.

Meanwhile, there was a delicious fellowship served. All the guests relished the event as well as the meal. With that the day came to an end. But our joy of being one as Honey comb was not ended. When brothers from both communities met each other we could see the joy in their faces. This event remained as a memorable one, because 3 more flowers were added to the Branch of Betharram. It brought us together. We worked, we shared, we celebrated and we thanked, indeed it was a grace filled event. Thanking Almighty and everyone who helped for this event we continue in the same spirit.
