

## GROUP SHARING AND PRESENTATION BY VICARIATES

Target:

- Present in an original way your Vicariate in a short period (15 minutes at the most)
- Analyse your vicariate, from a particular point of view, as a complement of the report given by the regional superior.

The yesterday retreat shoed some paths we can walk. Starting from yesterday reflection, we ask the following questions:

<b>“WE CARRY THIS TREASURE IN EARTHEN POTS”:</b>
--

- 1. Say in what sense your vicariate is “blessed”:**
  - Describe the **treasure** (gifts, talents, fruitful apostolate, etc.);
  - Describe the **earthen pots** (frailties, miseries, shortcomings, etc.)
- 2. Show the signs of REFUSAL of the blessing and the love of God:**
  - a. Frailties lived as “failures”. “Closing off”. “Solitudes”.
  - b. **Babel**: meanness, ongoing conflicts, controversies, misunderstandings.
- 3. Frailties lived as life witness (positive aspect) and overcoming them in Christ:**
  - a. Signs of life: the “**commitments in life**” (religious, communities, etc.)
  - b. **Providential Lights** which shed light on the discernment of the way to follow.
- 4. How do you imagine your Vicariate in 10 years’ time?**

**The call of Abraham** (to be reborn): paths emerging - aspects to leave behind.

---

### **TASK:**

- Appoint an “informatic” secretary.
  - Put the answers in a frame of 4 columns. Print or project (recommended)
  - If you wish, and you can, prepare a presentation with pictures (photos, etc) of our betharramites brothers working in your vicariates.
  - Prepare a SIGN expressing your Vicariate to offer during the MASS of the day of your presentation.
